World Book Day

On Thursday we celebrated World Book Day in Reception by coming to school dressed in our pyjamas, slippers and dressing gowns! We had lots of fun reading our books to our favourite teddies and soft toys and sharing the best parts of the story with our friends.

In Class RC we explored the story 'Oh No, George!' by Chris Haughton. The main character is George, a dog who tries very hard to be good and to do the right thing. Sometimes he succeeds other times he is tempted to get up to mischief! We made a cut out of George and used this to construct a story board.

Thank you very much to all parents for helping the boys to come in to school wearing the right things. This is not an easy task in the middle of a hectic week!

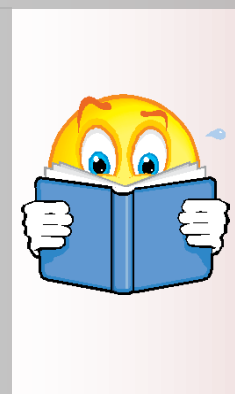

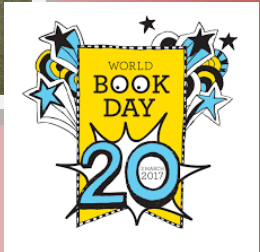

Next week we will be busy with final rehearsals for our Spring Concert which takes place on Monday 13th and Tuesday 14th March at 9.30am. The tickets for the day of your choice are being sent home today so please look out for these in your sons bookbag.

TREETOPS NEWS

It was wonderful to see so many of our children dress up for World Book Day. Both sites have taken lots of photos and will display them in the nursery.

Parents have been giving feedback on the current planning for the rooms. Parents appear happy with the activities and the underlying book theme, underpinning their children's education. For those parents who haven't seen the nursery planning; each room plans for the week ahead. At Purley the planning is displayed in the main entrance of the nursery and on the nursery doors for each room. At South Croydon staff display the planning on the windows.

Lunch News

There is an exciting new menu that children at Treetops South Croydon are already enjoying. This will be rolled out to Reception Boys and Treetops Purley children over the coming weeks. Menus are on display at both our sites and can also be viewed on our website.
