## Welcome to Reception

The boys in Reception have settled in really well and are happy to come into school ready to start their day.

This will be a weekly newsletter with all our Reception news and our Stars of the Week. It will also contain our "Talk Homework" question.

Talk homework is an activity which all the family can share. It is a great way of improving and supporting children's speech, language and communication skills. There will be a question to discuss at home and we will also discuss this at school. Why not make Monday morning more interesting by adding your answer to our outdoor white board in the front playground. You may also like to share with your son the other responses that are written there.

I have sent home some tips on Early Years Talk homework from The Communications Trust. They also have an excellent website which you may wish to look at.

Later in the year, Cumnor Boys Reception will take part in No Pens Wednesday and the boys will have a chance to impress us with their excellent speaking and listening skills!

This weeks Talk Homework question is **the weather**. Can you think of at least 5 good descriptions for the weekend weather.

A warm welcome back to all those returning to Treetops and all our new joiners. The children are beginning to settle in their new classrooms and in each room we are following the theme “all about me”. The children observed themselves in a mirror and we discussed our facial features. They then painted their self portraits. I think you will agree we have some future artists!
