WEEKLY NEWSLETTER

Message from Mr Steadman

As an ex sportsman I am pleased to see that our football teams have 'hit the ground running', and have already recorded some very good results. A notable one this week is our U.11 team qualifying for the ISFA national finals at St. George's Park. Pleasing as this result is, I am just as keen to see how well the boys are performing in our C and D teams. Prep schools like Cumnor House can offer that rare combination of sporting excellence and sport for all.

I must thank the PA for organising another successful walk to school day. I do realise that for many of you the distance is just too far to walk. Some decided to park about a mile away, and walk the last part of the journey. The school does have a 'Green Travel Plan' and if more families that take part in these events, it will reflect positively on our school.

Finally I would like to thank all boys and teachers who supported Jeans for Genes Day. This is a very worthwhile cause and the money will be put to good use.

U11 Surrey Prep Schools Football Cup Pre-Round

Cumnor House School for Boys U11A v Danes Hill School

On: Thursday, 15 Sep 16

CHS 4 -2 Danes Hill

Wow, what a performance! The U11A team go through to the next round of the cup with a well-earned win against a strong and physical Danes Hill side. The team were very fast on the counter and after numerous attempts in the first half, Alfie managed to head home a cross from Ethan. Before the break we conceded, just before a thunderbolt from Ethan that found the back of the net from 20 yards. The second half was very cagy and the boys stepped it up and won key battles throughout. Wide players, Asher and Kyrece also scored and Daniel was solid on defence.
