

Get On Board, Get On!

Yes this train is bound for Glory,
Get on board, Get on!
We're travlin' to that land of Glory,
Get on board, Get on!

And we're gonna sing and we're gonna shout,
"Praise the Lord above"
So, brother, sisters, sing it out,
Sing "Hallelujah"

Yes this train is bound for Glory,
Get on board, Get on!
We're travlin' to that land of Glory,
Get on board, Get on!

As we ride on this train for Glory,
Praising His name in song;
We all sing of His wondrous Glory,
Get on board, get on!

For we are one with the Lord above
Ride and share our love;
Come join us!
As we ride on this train for Glory,
Praising His name in song;
We all sing of His wondrous Glory,
Get on board, Get on!

Yes this train is bound for Glory,
Get on board, Get on!
We're travlin' to that land of Glory,
Get on board, Get on!

*As we ride on this train for Glory,
Praising His name in song;
We all sing of His wondrous Glory,
Get on board, get on!*
