# Chicks arrive in Reception

We have had a very “egg-citing “ week and our Reception girls would like to introduce the new additions to their class. The eggs arrived on Monday and were kept in the incubator. They numbered the eggs and named the chicks as they hatched. The girls found it interesting (as did the staff) and even managed to hold the chicks.

The first egg to hatch was number 9 much to the children's delight.

Diya A named chick number 9 Spirclee.

# Reception Fairytale Ball

On Monday our Reception girls had their Fairytale Ball with the Treetop girls. This term they have been looking at Fairytales so we thought it was very appropriate to have a Ball. The girls looked fantastic in their beautiful dresses and danced the afternoon away.

## HISTORY OF ART CLUB

Please see below some photos taken at our new History of Art Club which takes place on Wednesdays after school for Years 5 and 6. The girls made ice sculptures when learning about the techniques of marble sculpture and painted frescoes of the school crest into wet plaster of paris to learn about the technique of fresco painting.

Please keep bringing in your vouchers so we are able to buy some wonderful equipment for our School.  
Many thanks.
