

June 2018

Dear Parents,

Bus Service 2018/2019

We have now finalised the details of the new home/school bus service for the next academic year, creating more efficient routes designed to allow wider access.

A booking form is now attached for your use which details the designated morning pick up points and timings for each route.

Please complete a separate form for each child requiring the service.

Points to Note:

In accordance with EYFS and Cognita guidelines, the home/school service is only accessible (subject to availability) to children from Year 1 upwards.

The times shown are **departure** times and we recommend that the pupil arrives at least 5 minutes before the stated time.

All current passengers are required to complete and return this form – there is no automatic allocation.

Places are allocated and charged on a full time use basis only (that being 5 mornings per week).

The cost for the service will be £210 per term – charged termly in arrears.

Places are allocated on a first come, first served basis.

A service level agreement will be issued to all successful applicants outlining the specific details for the service.

Return service schedules and pricing will be published once we have established exact demand.

Please do not hesitate to contact me if you have any questions.
