Year 3 Visit
Hale Man Artist

9 **Nursery News**
Christmas has
Arrived!

Welcome from the Headmistress

Mrs Amanda McShane

Headmistress

“That man who is regular and punctual will get sure success in all walks of life.”
Sivananda Saraswati,

Year 1 Mathematics

Year 1 have been busy learning about capacity in mathematics. They needed to see if each object held more or less sand than the mug. We had great fun making our predictions and then checking them.

Year 6 English

Last Thursday, Year 6 designed posters in English providing interesting fact file information about birds found on the Scilly Isles. The work came from our study of Michael Morpurgo's book: *Why the Whales Came*. The posters made were highly informative, colourful and in most cases 3D. Excellent work for one afternoon; on Friday each pair presented their poster to the class. Mr Tindall

Year 3 Tea Tasting

Last week, Year 3 began their new topic in English. After seeing signs posted around the school advertising for Apprentice Tea Tasters, the girls were greeted by the Royal Tea Tasters themselves (Miss Threadgold and Miss Le Hur!) who put them through their paces!

The girls tasted the tea and were able to accurately identify and describe the flavours. A mysterious basket was found the next day in the classroom with a book inside entitled 'The Cloud Tea Monkeys'; a story which the girls are exploring this week in their learning.

Green Fingers!

Year 1 have planted the beans in the ground! Let's hope they continue to grow.

Year 2 Art

The girls have had a fun afternoon learning about aboriginal art last week and created their own pictures of Australian animals using dot art.

Stars of the Week Awarded: Friday 11th May 2018

Ella Class RM

For fantastic counting in 5s & Mihika for eating all of her lunch this week

Chloe Class 1M

For excellent work in science being able to group different types of plants.

Mariam Class 1SC

For excellent work in science being able to group different types of plants.

Averie Maxam Class 2H

For independently thinking of a way to find a third of a number.

Olanna Class 2L

For showing great understanding in science and creating an informative safety poster about electricity.

A Trip to the Post Office

On Tuesday 1st May the girls in Reception wrote letters to Kensington Palace to congratulate William and Kate on the birth of their baby son, Louis Arthur Charles. The girls wrote such beautiful letters that we decided to enjoy the sun, and walk down to the Lord Robert's Post Office to post them into the post box. A wonderful sight to watch a row of boaters bobbing down Woodcote Lane!

CUMNOR HOUSE SCHOOL INVITES YOU TO..

SOLVE THE PROBLEM OF SLEEPING

A FREE TALK ON HOW TO BEST SOLVE
THE PROBLEM OF A CHILD WHO IS
STRUGGLING WITH SLEEPLESS NIGHTS
HOSTED BY ANDREA GRACE

When?

25th June 2018 - 18:00-20:00

Where?

Cumnor House Girls School
1 Woodcote Lane, Purley, Surrey, CR8 3HB
