Welcome from the Headmistress

o

Have a great week. Mrs

Amanda McShane

Election Fever

Election fever hit the girls school this week with Year 5 holding a mock election as part of their public speaking and democracy unit in drama. The girls have worked for most of the term on understanding the democratic system in our country and thinking about what would make a good election speech and manifesto. They formed 6 parties: Future, Progress, Vision, Tomorrow, Transform and Discovery. We also had an election committee which oversaw the official running of the election.

On Wednesday the girls presented their manifestos to the rest of the school in assembly and on Thursday the big vote happened. Counting was done and the result was decided by how many year groups each party won. The end result was a hung parliament with both the Future and Discovery parties winning 3 Year groups each! Congratulations to party leaders Penelope and Naima and to party members Matilda, Ilaria, Toluwa, Amaya, Alisha and Ruby.

School News

Lion King Prep

Year 6 have been busy preparing for next weeks Lion King performances. Not only rehearsing hard on stage, but also in the art room where they have all designed and created the makes they will wear and the animal costumes for the powerful opening scene! A sight not to be missed! Huge thanks to Mrs Clingan, our amazing Head of Art for devoting time, not only in the girls lessons but at any moment of free time to supporting the girls and using her expert knowledge and creativity to bring the creations to life!
