Outstanding Results

The Numbers

One of the greatest joys of leading Cumnor House is witnessing the remarkable journeys our girls undertake, from their early days filled with curiosity to becoming confident, thoughtful individuals ready to embrace the next chapter of their education.

This year, our Year 6 pupils have demonstrated not only academic excellence but also resilience, kindness, and a genuine enthusiasm for learning. Their hard work and dedication have led to impressive outcomes in the 11+ examinations, with many securing places at prestigious senior schools and earning scholarships in recognition of their talents across academics, sports, music, and the arts.

We are immensely proud of each and every one of them. Their achievements reflect the values we hold dear at Cumnor House: courage, compassion, endeavour, integrity, and belief. These core principles, known as The Cumnor Way, are the foundation of our community and the compass guiding our pupils as they move forward.

Offers

Reigate Grammar School 2
Royal Russell School 2

Understanding the Next Steps

We understand that the transition to senior school is a significant step for both pupils and their families. At Cumnor House, our commitment is to provide personalised support throughout this journey. Beginning in Year 5, we engage in open dialogues with parents to explore the best-fit schools for their children, considering each child's unique strengths, interests, and aspirations.

We help prepare for the exams, including interview techniques, and confidence-building activities. We maintain strong relationships with a wide range of senior schools, enabling us to offer guidance and support throughout the application process.

Our goal is to ensure that every child leaves our school not only with outstanding academic results but also with the self-assurance and character to thrive in their next educational environment.
